The Future of Old Bridge is at Stake!

On June 16, 2011...

...the *Democrats* passed a New Unfunded Lifetime Health Care Entitlement Ordinance that:

- Reduces the service required to receive lifetime health care benefits from **25** years in Old Bridge to **15 years!** Fifteen (15) years in Old Bridge + 10 years anywhere else in the State and **YOU foot the entire bill!**
- Will cost the taxpayers **MILLIONS in additional taxes!**
- The State of New Jersey has issued multiple warnings about this plan and **all were disregarded by the Democrats!**
